## PAVEMENT PARKING SCHEME FOR CALTHORPE GARDENS

Residents will recall the consultations that have been held on the parking difficulties in Calthorpe Gardens. These led to a public meeting in All Saints Benhilton School where a number of options were discussed.

The balance of feeling was that pavement parking needed to be considered to ensure that refuse vehicles, emergency vehicles, delivery vehicles, etc were to have to access to Calthorpe Gardens to ensure the safety of residents and the delivery of their business.

Council officers have now devised the attached scheme, on which they will be formally consulting over the next few weeks.

It includes pavement parking on the entrance to Calthorpe Gardens, double yellow lines around the bend, and then further pavement parking. Please see the attached map. Please note that these pavement parking spaces are not individual bays but are a general space for parking.

In order to ensure that we get a solution to this problem in place as quickly as possible, please respond to the Council consultation as soon as possible.
