News from your Lib Dem team

Cllr Ruth Dombey, Cllr Marlene Heron, Cllr Steve Penneck and Amna Ahmad

Prince Regent Pub

Residents will be aware of the planning application to demolish the Prince Regent pub and build a nine storey block of flats.

This follows on from the Government's decision to de-list the pub which we opposed.

Local residents have called for the pub to be 'locally listed' and registered as an Asset of Community Value. The Council has a commitment to encouraging the retention of Locally Listed buildings. Further details of this are on our website.

The developers have also applied for planning permission to demolish the pub. Councillors have called for this to be deferred until the other applications have been decided.

Ruth, Marlene and Steve outside The Prince Regent

Your local Councillors - Ruth, Marlene and Steve - are pressing for the planning application to be refused on the grounds of its excessive height, design and lack of retail use on the ground floor.

Local cycling

The Council will be consulting residents shortly about a proposal for a 'Quietway' cycle route along Benhill Wood Road, Elgin Road, Grennell Road and through Greenshaw Woods. 'Quietways' are cycling routes that can be promoted to encourage cycling as a safe and healthy option. The proposal will not include separate cycle paths, but will suggest some junction improvements.

Congratulations Chaucer Stars!

The roll started in February when Rosemary Langley, Alice McFadden and Pat McGuire were runners up in the Community Spirit Award for their Mini Mix which brings young and old together.

Ms Svindland was runner up for the Best Allotment Garden. At Sutton Housing

Partnership Star Awards Jill Eldridge won Good Neighbour and Employee of the Year went to Patrick O'Riley Chaucer Gardens Caretaker. There was stiff competition for all these awards and we are so proud of the difference these people make to our community.

Updates from around Sutton North

Find out more on our website.

The Council is now consulting on a draft of the Local Plan. It deals with subjects such as: new regeneration areas; housing, retail and office development; and provision of sites for schools. The Plan proposes allocating the All Weather Pitch and part of the Tennis Centre in Rosehill Park for a new High school.

The planning application to build four bungalows on undeveloped land behind gardens in Benhilton Gardens has been turned down by the Council.

A planning application has been received to build eight detached houses on former allotment land in Sutton Garden Suburb.
