

Autumn 2017

# Sutton North FOCUS

News from your Lib Dem team

*Cllr Ruth Dombey, Cllr Marlene Heron, Cllr Steve Penneck and Amna Ahmad*

## From disused toilet block to brand new cafe!

**Good news!** The planning application has been submitted to turn the disused toilet block on Sutton Green into a cafe.

The cafe will also provide toilet facilities available to the public without requiring a purchase.

When approved, work will begin to realise the inspirational vision of local architects Steven and Kayleigh Harp of Harp & Harp Ltd who worked closely with a local catering company and the Council.

Cllr Marlene Heron said: "This drab building will become an exciting and much needed cafe for the local community, users of Sutton Green, the play area and Victoria Gardens".

## Parking update

**Council officers have now completed their survey of the existing restrictions, and identified all the areas of parking pressure, based on issues raised in the past by Councillors and residents.**

Councillors have met with them and walked the ward to explain specific issues.

Cllr Steve Penneck said: "It's important that everyone looks out for the general questionnaire on parking

this month and lets them have your views. This will be followed up by consultation on specific schemes."

Residents in the Vale Road/ Bushey Road area were consulted during the summer on an extension into the evening of the existing residents parking scheme.

There was insufficient response to justify taking this forward as originally proposed, and we will be consulting residents again on the next steps.
