PLANNING UPDATE FOR SUTTON COMMON ROAD

Two planning applications have recently been decided.

The application to build a house on the corner of Sutton Common and Marlborough Roads has been approved. The proposal is for the erection of a detached 3-bedroomed house with detached garage, two car parking spaces and access onto Marlborough Road.

The application to use the former carpet shop (71-73 Sutton Common Road) as a restaurant has been refused. Council officers decided that the extract flue required on the side of the building, which would be visible from the outside, would be out of place and would harm the character of the building, the surrounding area and street scene and could result in a significant impact on adjoining occupiers.

As your ward councillors we will continue to keep you informed of planning proposals in your area.
