News from Cllr Ruth Dombey, Cllr Marlene Heron and Cllr Steve Penneck

REPORT BACK ON ROSE HILL PARK WEST

Ruth, Marlene and Steve have been calling on residents in your road to ask about your concerns, and this newsletter summarises some of the actions taken.

There was some concern about the refuse collection, especially the garden waste collection. We understand there have been staffing problems due to sickness and Veolia gave priority to the food waste and general rubbish collections. Garden waste will be collected as soon as possible, and residents will be credited for missed collections by giving additional collections at the end of the payment year.

There were comments about the standard of street sweeping. We have asked for a complete sweep of the road. There will be a review of the frequency of road sweeping to ensure it is sufficient to keep up to the standard we expect.

Worries about the speed of traffic, and road safety. We spent time with the police Speedwatch team recording traffic speeds and noted those exceeding the speed limit. The police will be issuing warning letters. We need a permanent solution, possibly including a 20 mph area limit, but this might need speed humps to enforce it. When we asked for views on this last year we got little response. Please let us know if you would favour this approach.

Residents at the bottom of the road will soon receive a formal consultation letter about double yellow lines on the sharp bend. This is a legal requirement before putting in the lines and should make this dangerous corner a bit safer.
