Sutton North FOCUS

News from your Lib Dem team

Cllr Ruth Dombey, Cllr Marlene Heron, Cllr Steve Penneck and Amna Ahmad

Watch your speed!

Residents in Collingwood Road, Sutton Common Road and Rosehill Park West have been out over the last few weeks as part of Community Speedwatch, supported by the police and your local ward councillors.

Everyone was trained to use speed detection devices. During just one hour we identified 21 cars which were exceeding the 20 mph speed limit in Collingwood Road.

The police will be writing to the owners of the cars to warn them of their excessive speed and fining some of them.

The presence of Speedwatch teams on the street deters motorists from exceeding speed limits, and the follow up letters

Steve and Marlene volunteering with Speedwatch

and fines make it clear that this is dangerous. Steve, Marlene and Ruth are organising further Speedwatch events with the police. If you would like to be part of this, please let us know.

Local news in brief

Do you think that Sutton Common station should be improved so that elderly and people with disabilities can use it? If so please let us know so we can lobby Network Rail.

Local residents are being consulted on a possible new bus stop in Edinburgh Road for the S4 bus, which will prevent

the bus from blocking traffic when it stops. But it would reduce the number of parking spaces.

Residents have raised concerns about opening times and cleanliness at the toilets on Rosehill Rec. Action has been taken and the toilets will be inspected more frequently.
