PARKING CONSULTATION IN CRANLEIGH GARDENS

As your local councillors we are still fighting to maximise the parking space available to local residents, while making sure parking is safe and does not block access to roads or drives. The bottom of Cranleigh Gardens particularly suffers from commuter parking, which can make access to the road difficult.

Residents will be aware of the proposal for a new school in the park, and if this goes ahead, parking in Cranleigh Gardens could get worse.

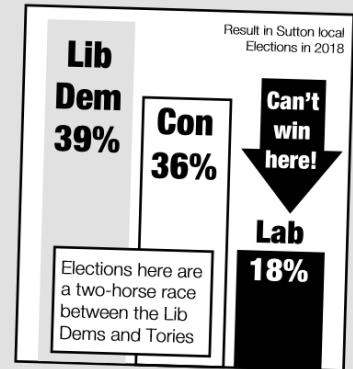

At the end of last year, the Council consulted on parking proposals, but made no specific proposals for your road.

However, some residents have suggested extending the double yellow lines on the corner with the main road on the north side from nos 2-18. This would help access to the road.

Is this something you would support?
