PARKING CONSULTATION IN DIBDIN ROAD AND DIBDIN CLOSE

As your local councillors we are still fighting to maximise the parking space available to local residents, while making sure parking is safe and does not block access to roads or drives. Dibdin Road is narrow, and access for the bus and refuse lorries is difficult and sometimes blocked. Further town centre development may make this worse.

The Council consulted on proposals to bring Dibdin Road into the town centre Controlled Parking Zone. This would have meant:

- A double yellow line along the western side at the bottom of the road, from Nos 3 to 25, and on the southern side from Nos 22 to 56 and around the much of the eastern end;
- Residents' only bays, with a single yellow lines across dropped kerbs (effective 8am to 6.30pm Mon to Sat) in the rest of the road;
- A mixture of double yellow lines and residents' bays in Dibdin Close.

We have not seen the detailed consultation responses yet, but understand that these proposals were not widely supported. We would welcome your further views before any decisions are taken.

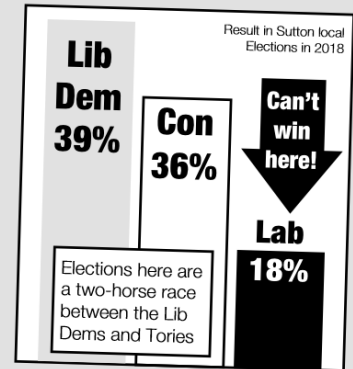

We accept that most residents do not want an extension of CPZ, which would introduce residents' permits (and would prevent non-residents' parking), but some parking restrictions need to be put in place to allow access through the road.

We would welcome your views on whether you would support not being part of the CPZ, but keeping the double yellow lines down one side of the road, with no restrictions in Dibdin Close.
