## PARKING CONSULTATION IN ROSE HILL PARK WEST

As your local councillors we are still fighting to maximise the parking space available to local residents, while making sure parking is safe and does not block access to roads or drives. Rose Hill Park West particularly suffers from people using St Helier Hospital and from parking from Greenshaw High School at the top.

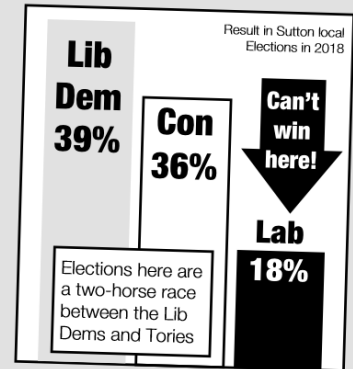

Many residents in Aultone Way are supporting a residents' only scheme for their road, and if this goes ahead, together with the proposal for a new school in the park, and pressures on other neighbouring roads, the parking in Rose Hill Park West could get worse.

At the end of last year, the Council consulted on proposals for free bays together with single yellow lines (which would prevent parking from 8.00 to 10am and 3pm to 5pm, from Mon to Sat). This did not gain much support in your road, but we would welcome your further views before any decisions are taken. Would any parking restrictions such as those proposed, help to ensure access to drives was not blocked?
