PARKING CONSULTATION IN ROSEHILL GARDENS

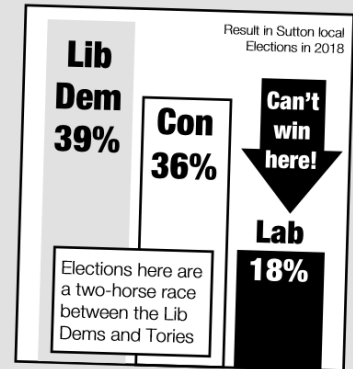

As your local councillors we are still fighting to maximise the parking space available to local residents, while making sure parking is safe and does not block access to roads or drives. Rosehill Gardens particularly suffers from parking from people using the tennis centre. Residents in Aultone Way are supporting a residents' only scheme for their road, and if this goes ahead, together with the proposal for a new school in the park, the parking in Rosehill Gardens could get worse.

At the end of last year, the Council consulted on proposals for free bays together with single yellow lines (which would prevent parking from 8.00 to 10am and 3pm to 5pm, from Mon to Sat). This gained much support, but we would welcome your further views before the proposals are finalised. Do you think the hours proposed for the single yellow line are the right ones, or are they too restrictive? Should the restriction be reduced to Monday to Friday only? Are there any particular times when the yellow lines should be in force?
