## PARKING CONSULTATION IN BENHILTON GARDENS: Please respond

As your local councillors we are still fighting to maximise the parking space for local residents, while making sure parking is safe and does not block access to roads or drives. Benhilton Gardens particularly suffers from parking from the town centre, and this is expected to get worse as the development of flats continues in the town centre.

Currently the bottom part of the road, from the High St to just past Hunting Gate Mews is part of the town centre Controlled Parking Zone (CPZ). At the end of last year, the Council consulted on proposals to extend this to the rest of the road. There was very little response from residents, and we would welcome your further views before any decisions are taken.

A CPZ is a residents' permit scheme where:

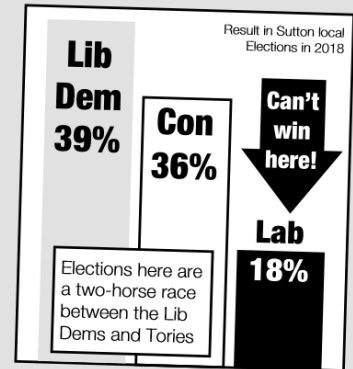

- Only residents with a permit can park on the road. Parking permits start as low as £40 up to £110 dependent upon emissions.
- Hours are 8am to 6.30pm Mon to Sat.
- Whether or not you buy a parking permit you get 50 hours a year of free visitor parking vouchers, and you can buy more. Vouchers are not needed in evenings and Sundays, when parking is free.
- The money from the permits pays for the cost of enforcement

The alternative options are to have free parking bays and single yellow lines, with restrictions at certain times, to protect access to drives, or else to have no controls at all and leave the parking arrangements as they are.

It's important to hear your views. Please email us or comment on the back and return it by post to:
