PARKING CONSULTATION IN LONGFORD GARDENS

As your local councillors we are still fighting to maximise the parking space available to local residents, while making sure parking is safe and does not block access to roads or drives. Longford Gardens particularly suffers from parking from Greenshaw High School.

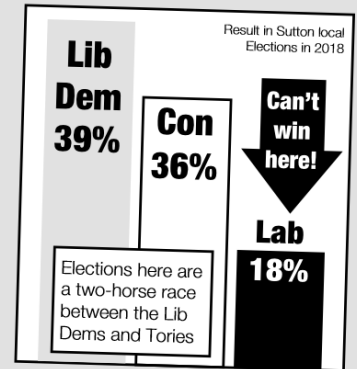

Many residents in Aultone Way are supporting a residents' only scheme for their road, and if this goes ahead, the parking in Longford Gardens could get worse.

At the end of last year, the Council consulted on proposals for a double yellow line on one side of the road and a mixture of free bays together with single yellow lines (which would prevent parking from 8.00 to 10am and 3pm to 5pm, from Mon to Sat) on the other. This did not gain much support in your road, but we would welcome your further views before any decisions are taken. Would any parking restrictions such as those proposed, help to ensure access to drives was not blocked?
