NEW PARKING MEASURES IN BENHILTON GARDENS

Sutton Council consulted twice last year on parking measures in Benhilton Gardens. These were due to be implemented earlier this year, but were delayed due to the pandemic. They will now be implemented in November.

The main proposal is the extension of the Residents' parking scheme, which is currently restricted to the first half of the road, to the rest of the road. The Council will shortly be writing to residents coming into the scheme to advise them how to apply for permits etc.

The measures also include a double yellow lines around the bends in the road. These restrictions will improve access for emergency vehicles, deliveries and for residents.
