## WARD COUNCILLORS WILL OPPOSE THE DEVELOPMENT OF THE ALLOTMENT LAND AT PLANNING COMMITTEE ON 3 FEBRUARY

The planning application for nine houses on the Woodend/ Greenhill allotment land will come to the February Planning Committee. The proposal is to build nine two storey houses with accommodation at roof level together with parking, a new vehicle access from Woodend, landscaping, provision of open space, pavilion and allotment plots.

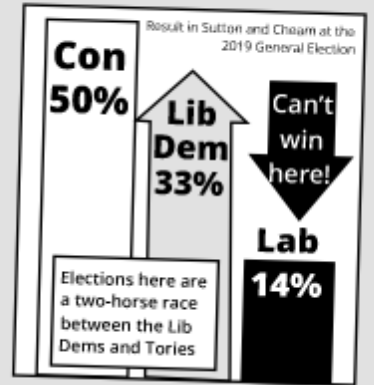

Further details of the application can be seen on our website here:

The allotment land has not been used as such for some years, but Marlene and Ruth worked hard with local residents some years ago to ensure that the area was designated by the Council as an 'Urban Green Space'. Previous attempts to develop this land were opposed by your councillors and have been refused by the Council. Council officers are likely to recommend that the Planning Committee approves the application. Your ward councillors will be asking for it to be rejected.

The Planning Committee now meets by video link, due to the COVID-19 pandemic. The officer report for the application will be available about ten days before the Committee meeting. Residents are able to submit a Written Statement and/or nominate someone to speak at the meeting. Requests to do so can be sent in once the agenda is published. Links for this and the committee papers can be found by following the 'tinyurl' link above.

The meeting will be broadcast online. You can find the link for this at the top of the agenda for the meeting.

Ruth, Marlene and Steve
