New Parking Proposal for Rosehill Gardens - Consultation with Residents about a Free Bay Scheme

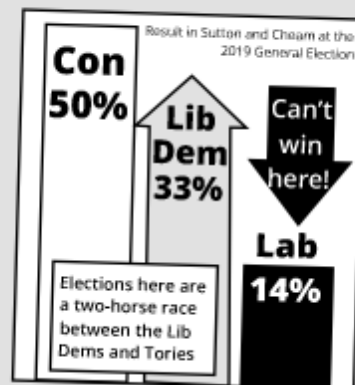

Residents will remember the Council's extensive consultation on proposals for a parking scheme in the local area. The process had to be put on hold due to the Covid pandemic, but is now being taken forward again.

Given the amount of time that has elapsed, there will be a further round of consultation to gather residents' views about the proposed scheme in Rosehill Gardens.

The previous rounds of consultation showed clear opposition to a parking scheme with paid permits so it is proposed to introduce a free bay scheme. Bays will be marked where it is safe to park and also where they do not obstruct driveways.

They will be available for anyone to use at any time, but there will be a single yellow line between the bays which will prohibit parking between 9am to 10am to prevent all day parking. Any vehicle may park on the yellow lines outside of this hour.

It is proposed that the scheme will commence in July after further consultation with residents. Information about the consultation will follow shortly.
