CLEAN SWEEP FOR BENHILL ROAD

The Council's **Gully Cleaning Crew** will be visiting **Benhill Road** (between Oakhill and All Saints Roads) on **23rd-24th March 2022**.

They will be removing drain covers, sucking up the debris and detritus from the gully pot, and then flushing water through the drain to ensure it is clear of any blockages.

It's important that road drains are kept clean and free of blockages to reduce the risk of surface flooding. Most drains in the borough are cleaned every two years; those on roads that are prone to flooding are cleaned more frequently.

As part of the same operation, kerb edges will be given a good clean using mechanical sweepers and the pavement will be swept with a small mechanical or a manual sweeper.

To enable this to happen, residents will be asked to move their cars. Prior notice will be given through notices on lamp posts, focusing on one side of the road one day and the other the next.

We appreciate this is an inconvenience and will add to parking pressures in nearby roads. But it is the only way to keep the drains clear and the gutters swept. So please co-operate with this initiative. It will improve the appearance of the road, and prevent local flooding.

Ruth, Marlene and Steve
